

Ready-To-Use

# CITRUFOAM

## Multi-Purpose Cleaner

This all purpose cleaner is fortified with d'Limonene (nature's own solvent) to provide superior cleaning action. Gentle enough for every day cleaning, yet strong enough to effectively clean even the toughest grease and oil. Pleasant to use, citrus scent, this product contains no 2-Butoxyethanol and is nonflammable. Clinging foam provides extended contact time on heavily soiled areas. Great for inverted or vertical surfaces. This cleaner is effective on grease, oil, crayon, dirty hand marks, lipstick, smoke film, ink, coffee and cola stains on most washable surfaces. When cleaning vinyl or plastic, rinse with a clean, damp cloth. Deodorizes as it cleans.

### Uses

- Canvas
- Ceramic tile
- Fiberglas®
- Painted walls
- Paneling
- Plastic
- Stainless steel
- Vinyl

### Features

- Convenient – Ready-To-Use aerosol package incorporates a 360° E-Z valve (may be used upside down or sideways); simply spray and wipe.
- Clinging foam – Provides extended contact time for cleaning vertical or inverted surfaces. Stable foam emulsifies grease and oil for easy removal.
- Powerful – A blend of surfactants, synthetic detergents and natural citrus solvents (d'Limonene) makes this product one of the most powerful aerosol foam cleaners available.
- Deodorizes – Removes objectionable odors at their source as it quickly cleans away gross soil.
- No CFCs – Federal Law prohibits the use of CFC propellants in aerosol formulations.

Flammability .....	Nonflammable per CPSC flame projection test
Fragrance.....	Citrus
Net weight.....	19 ounces
pH.....	10.0 - 11.0
Shelf life.....	1 year
Spray pattern .....	Oval
Storage stability.....	120°F maximum
Valve type.....	360° E-Z valve

### Directions For Use

Read the entire label before using this product.

Shake well before using. Always test product in an inconspicuous area before general use. Not recommended for leather surfaces. Remove cap and spray evenly over surface to be cleaned then wipe dry. For heavily soiled areas, allow to dwell on surface for two to three minutes, then scrub and wipe dry, repeat if necessary.

### Safety

For institutional and commercial use.

**CAUTION.** Non-flammable aerosol. Container may rupture if subjected to excess heat. May aggravate existing eye, skin or upper respiratory conditions. Harmful ingested or inhaled. May cause slight eye and skin irritation. Inhalation may cause headache, dizziness and nausea at high concentrations. PRECAUTIONS: Store in a cool, well ventilated area, away from incompatibles. Keep away from heat. Do not puncture container. Do not inhale vapour or mist. Avoid prolonged or repeated skin contact. Do not store at temperatures exceeding 48°C. Wear suitable protective clothing. Use with enough ventilation to keep below TLV. KEEP OUT OF REACH OF CHILDREN. **FIRST AID:** For eye contact, flush with running water for at least 15 minutes. For skin contact, wash with soap and water while removing contaminated clothing. If inhaled, remove victim to fresh air. If breathing stopped, begin artificial respiration. If ingested, do not induce vomiting, drink 2 glasses of water and seek immediate medical attention. For all cases, obtain medical attention if irritation persists.
