

TILLY®

Pink Lotion Hand Dishwashing Detergent

This neutral pH dishwashing detergent is specially designed for industrial, institutional and restaurant use where fast grease emulsification and long lasting suds are a must. Ideal for cleaning pots, pans and dishes, this product works quickly and leaves surfaces spot and film-free. Made from only the finest anionic and nonionic surfactants, this formulation rinses quickly and easily. Although tough on grease and fat, this lotion dishwash is still mild on the hands.

Uses

- China
- Glasses
- Pots and pans
- Silverware

Benefits

- Quickly cuts through baked-on food and grease deposits.
- Provides long lasting, stable suds.
- Gentle to the hands.

Directions For Use

Read the entire label before using this product.

Allow pots and pans to soak for a few minutes. Hot water works better than cold. PLATES AND GLASSES: Dilute 1/2 - 1 oz./gal. or 8 mL/L (1:256 - 1: 128) with water. POTS AND PANS: Dilute 2 - 3 oz./gal. or 16 - 23 mL/L (1:64 - 1:43) with water.

Safety

Keep out of reach of children. For institutional and commercial use. CAUTION: Contains detergents. Avoid contact with eyes. Harmful if swallowed. FIRST AID: If splashed in eyes, flush with large quantities of water. If swallowed, dilute with two glasses of water. Call a physician.
