

TOP FLITE™

All Purpose Cleaner

Developed as a result of years of research, this detergent will outperform many all-purpose cleaners on the market today. The perfect choice for any cleaning task, this product is nonflammable and noncorrosive. Clean and deodorize most water-washable surfaces with this advanced formula. Formulated without butyl or inorganic phosphates, this detergent will not harm most surfaces. It will not streak, film or cause surfaces to dull. Great for mop and bucket, spray or sponge applications. May be used in automatic scrubbers.

Uses

- Concrete
- Fabric
- Fiberglass
- Formica®
- Glass
- Metals
- Painted surfaces
- Plastic
- Plexiglas®
- Vinyl

Benefits

- Versatile – May be used to clean and deodorize most water-washable surfaces. It reduces the need for several other products. So versatile it can be used in the hardest water.
- Economical – Super-concentrated formula saves you money.
- *Rinse-free – Even in the hardest water, this cleaner will suspend the toughest soils and keep them from redepositing on the surface. *When used in food handling areas, all surfaces must be rinsed with potable water following use.

Properties

Color.....	Green
