

BPS28

28" Battery Powered Sweeper

The design of the BPS28 sweeper makes this one of the most versatile machines available. Compact and easy to maneuver, this machine is excellent in small spaces and around obstacles, as well as handling larger wide open areas such as warehouses and parking lots. A key advantage of the BPS28 is its ability to sweep not only hard floors effectively, but large carpeted areas and textured floors making it a valuable addition to your floor care program.

Applications

- All types of hard floors
- Large carpeted areas
- Warehouses
- Driveways/Parking lots
- Textured flooring

Features

- Fingertip controls
- Variable speed
- Compact design
- Excellent maneuverability
- Effective on hard, textured and carpeted floors
- Low 59 dba rating allows sweeping occupied areas

Warranty

3 Year*

*Please refer to Betco Equipment Price/Product Guide for complete equipment warranty information.
