

1600DC Rotary Sander

- **Aggressive, powerful fully-enclosed motor**
- **Low profile design**
- **Ergonomic handle**
- **Super grip pad driver**

The 1600DC Rotary Sander was designed and innovated specifically for the demands of wood floor sanding and finishing.

The added weight and balanced design mean the most aggressive sanding, highest productivity and smoothest operation of any rotary sander on the market.

The 1600DC features a balanced pad driver for smoother operation.

Because Pride Still Matters.
