

# Aura Wide Area Vacuum

Clean wide area carpet and tight spaces quickly and quietly with the Aura vacuum.

The Aura vacuum lets you quickly clean wide areas as well as tight spaces with one machine! The Aura features a 30" wide cleaning path and a retractable 20-ft. off aisle hose with turbo floor tool.

The ultimate in productivity, the Aura vacuum features a dual motor design for optimum soil retrieval, large wheels and front casters for easy maneuverability and an ergonomic handle that folds down for compact storage.

Bag changes are easy with the lift-out hopper that holds up to 1 bushel of dust and soil. The sleek, low profile design lets you reach under fixtures, and its quiet operation means you can clean without disturbing occupants.

For higher indoor air quality standards, choose the optional HEPA filters that capture 99.97% of particles down to .3 micron.

# Aura Features & Benefits

Wide 30" cleaning path combined with dual brush and vacuum motors deliver high cleaning performance and productivity.

Low front profile allows operators to clean under furniture, fixtures and shelving.

Top mounted hopper lifts off for quick and easy bag changes.

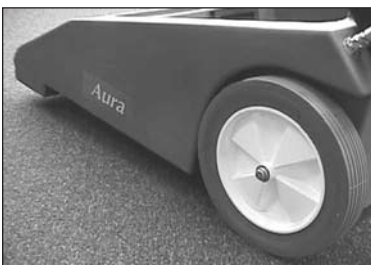

Available with standard paper bag filtration of 5 micron or choose the optional HEPA filtration that provides 99.97% efficiency to .3 micron for cleaner indoor air.

A retractable live 20-ft. hose with turbo floor tool allows you to clean in office cubicles, under fixtures and in smaller spaces.

Sturdy rotomolded handle with convenient cloth caddy keeps cleaning accessories and attachments at the operator's fingertips.

Large rear wheels and front casters pivot easily for effortless maneuverability and lower operator fatigue.

The Aura vacuum comes with a long 75-foot safety yellow power cord. Its high visibility prevents tripping accidents.
