# EF Super Duty Degreaser

MICHCO

Sustainable  
Certified

## DESCRIPTION

A heavy duty "Green chemistry" based cleaner-degreaser that absorbs dissolves, oil, and protein based soils better than butyl-based products. Recommended on all food processing equipment and service areas. Also for use on floors, walls, desk, tables and other hard surfaces. Concentrated and very economical to use. Non-flammable, non-toxic, and contains no solvents. It is excellent for use in automatic scrubbers.

## DIRECTIONS

**FOR GENERAL CLEANING OF FLOORS, WALLS, and FIXTURES:** Dilute concentrate 2 to 4 ounces per gallon of warm water and apply with a mop, sprayer or sponge. Allow to stand a few moments and wipe off or rinse clean with water.

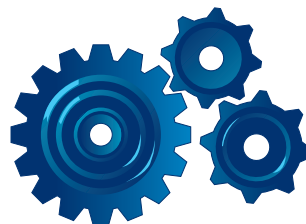

**FOR FOOD PROCESSING AREAS and EQUIPMENT:** Dilute concentrate 8 to 12 ounces per gallon of warm water. Mop, spray or sponge onto surface and allow to stand a few moments. Surfaces that come directly in contact with food require a potable water rinse; otherwise rinsing is not usually necessary.

**FOR HEAVY DUTY DEGREASING and INDUSTRIAL CLEANING:** Dilute concentrate 16 ounces per gallon of warm water. Mop, spray or sponge onto surface and allow to stand at least 5 minutes. Scrub or brush thoroughly and rinse with clean water.

The above directions are flexible rather than specific. Generally, a more dilute solution can be used, while for extreme conditions a less dilute solution may be needed.

## PRODUCT SPECIFICATIONS

<b>Color:</b>	Purple
<b>Odor:</b>	Mild, Pleasant
<b>pH:</b>	12.0 - 13.0
<b>Viscosity:</b>	Water thin
<b>Foam:</b>	Moderate
<b>Flash Point:</b>	None
<b>Abrasive:</b>	None
<b>Biodegradability:</b>	Complete
<b>Solvents:</b>	None
<b>Storage/Stability:</b>	2 years
<b>Weight Per Gallon:</b>	8.61 lbs. Per gallon
<b>Freeze/Thaw Stability:</b>	Keep from freezing
